Homogenizing <u>Teacher</u> username and password use: (Sept 22, 2016)

Google Apps and Chromebooks: *Teachers* – First.LastName@bellevueschools.org - with Network Password
Desktop computer: *Teachers* - (3LtrsFirstNameLast plus hire date, i.e. MarBis69) and Network Password
Study Island: *Teachers* Email address and Network Password
ThinkCentral: *Teachers* - 3LtrsFirstNameLast plus hire date, i.e. MarBis69) and Network Password **plus a#** passWord25#
myHRW: *Teachers* - (3LtrsFirstNameLast plus hire date, i.e. MarBis69) and Network Password **plus a#** passWord25#lunch
EducationCity: *Teachers* - (3LtrsFirstNameLast plus hire date, i.e. MarBis69) and Network Password
Renaissance Place: *Teachers* - (3LtrsFirstNameLast plus hire date, i.e. MarBis69) and Network Password
ConnectEd: *Teachers* - FirstNameInitial## (optional numbers are generated by their system)
(Teacher accounts are created by teacher redeeming a textbook code requested from the Tech Coordinator)
(Student accounts are created by student redeeming a class code {NOT a textbook code} which is generated when a teacher creates a class)
Discovery Learning: *Teachers* - (3LtrsFirstNameLast plus hire date, i.e. MarBis69) and Network Password
iBoss Filter Override: - (*Teachers over-ride for a student to reduce filtering to teacher level*) - (3LtrsFirstNameLast plus hire date, i.e. MarBis69) and Network Password
TripTracker: *Teachers* - (3LtrsFirstNameLast plus hire date, i.e. MarBis69) and Network Password
Other staff systems which are NOT homogenized by the Tech Department:
PublicSchoolWorks: *Teachers* - (3letters from FirstName added to WholeLastName (MarBishop) - password is initials of first and last name, and last 4 of Social Security number (mb7777)
KIOSK: *Teachers* Email address and your own private password (It can be the same, but you must do this.)
ProgressBook Suite: *Teachers* Bell_FirstInitialLastName - (Bell_MBishop) and your own private password (It can be the same, but you must do this.)
MailMarshall / Trustwave: *Teachers* Email address and your own private password (It can be the same, but you must do this.)
Vitality.com: *Teachers* Your own private username and password (It can be the same, but you must do this.)
